Re: Notice of Permitted *Ex Parte* Meeting, WC Docket No. 12-375

Dear Ms. Dortch:

On June 26, 2014, Securus Technologies, Inc. ("Securus"), represented by Richard Smith, Chief Executive Officer, Dennis Reinhold, Vice President and General Counsel, and the undersigned counsel met with the following staff of the Wireline Competition Bureau:

Kalpak Gude, Chief, Pricing Policy Division
Lynne Engledow, Assistant Chief, Pricing Policy Division
David Zesiger, Senior Counsel, Pricing Policy Division
Rhonda Lien, Pricing Policy Division
Danielle Thumann, Legal Intern

Securus seeks Commission input as to the payment of site commissions out of interstate revenue. The market disruption that Securus previously has reported is growing worse. The attendees discussed how that input may be provided.

Staff confirmed that Securus has been chosen as a panelist for the upcoming Workshop to be held July 9, 2104.

Securus informed Staff that it will file a full cost study on July 17, 2014, in compliance with the Mandatory Data Collection, as well as the other data that the Commission requested in Paragraph 124 of the *Inmate Rate Order* and associated Public Notices.

Staff stated its intent to seek additional comment on several ICS issues.

Securus did not provide Staff with any handouts or materials.

This disclosure is made in compliance with 47 C.F.R. § 1.1206(a)(1).
